

Prosperity Achiever Program

Accounting

Corporate Assurance

Financial Services

The Prosperity Achiever Program offers ‘real life’ paid work experience, allowing you to see first-hand what it’s like to work at a professional services firm before you graduate.

Our company

Prosperity Advisers Group is an independently owned, award-winning chartered accounting and financial advisory firm, with offices in Sydney, Newcastle and Brisbane.

We currently employ over 130 staff and provide comprehensive accounting, taxation and financial advisory services to a growing base of private clients and emerging companies.

At Prosperity we are committed to providing challenging, rewarding and interesting careers for all employees. We understand that the success of our business depends on our people, now and in the future.

Our goal at Prosperity is to foster a culture that inspires and supports excellence, proactively delivers smart client solutions and actively support our people and community.

Prosperity also offers a global reach through its memberships with international alliances of independently-owned accounting and consulting firms: International Association of Practicing Accountants, Leading Edge Alliance and UK200Group.

Prosperity Achiever Program

If you are in your second year at University and looking to gain some valuable work experience, our Achiever Program is designed for you. The program offers ‘real life’ paid work experience, allowing you to see first-hand what it’s like to work at a professional financial services firm before you graduate. The program runs over three to six weeks during the Summer break over December, January and February.

The program also provides the potential to secure an ongoing work placement whilst completing your degree, gaining valuable ‘hands on’ experience to fast track your career.

What we look for

Our goal at Prosperity is to foster a culture that supports the development of our people and provides tools to assist in both technical and professional development.

We are interested in who you are and the strengths you can bring. We recruit employees from a diverse range of backgrounds, but ideally students should demonstrate that:

- they have a keen interest in business, accounting and/or financial planning
- they have consistently applied themselves throughout their degree
- they have strong interpersonal and communication skills
- they have the ability to work effectively in a team
- they have had a balanced University life - someone who has worked throughout their degree, someone who has played sport or played in a band, or are members of a University interest group.

The benefits of our Achiever Program

The benefits of our Achiever Program include:

- real life paid work experience in a young professional culture
- participation in our Mentoring program
- hands on assignments in a team environment
- working with quality, local, national and international clients.

The choice is yours

We offer the Prosperity Achiever Program in accounting, corporate assurance and financial services.
